One of the most thrilling scenes ever pictures, is that of the cafe of the underworld along the Seine in Paris, in which the culminating action of Hugh which the caliminating action of Hugh Ford's great Paramount pleture. The Great Day, which is the second feature, 7,971.52 transpires. Frequented by a crowd of Parisian riff-raffs, girls and men of the locwest type, the place and the second represent the Parisian "underworld" with grom reality, true to the least dewith grom reality, true to the least de-tail. It forms the background of one of the most stirring scenes in The Great Day; that in which Frank Beresford, the hero, has been tured to see his sick friend, Dave Leeson, only to find on leaving that he and his friend Dave are cought in a tran of an international concaught in a trap of an international con-spiracy, and have to put up a hopeless fight against overwhelming odds, until finally thrown by the thugs of the Guardian Angel down through a trap-doer in-to the sewers leading to the Seine. The incident has a surprising result. An extremely interesting news weekly will conclude the bill.

Breed Theatre and Majestic Reel Garden.

Carmel Myers hag a role to which she is admirably suited in Cheated Love, the Universal photodrama, which is the feature at the Breed theatre and Majestic Hoof Garden today and tonight. The star appears as a little immigrant from Russia. She arrives at Blits Isl-and, the human clearing house in New York harbor, and joins her father in the ghetto, where she works, lives and loves.

King Baggott, star, director, and writer, directed Cheated Love at Universal 1,930.21 City from the original story and senario by Lucien Hubbard and Doris
Schroeder. An excellent cust was assembled for the production. The wrecking of an East Side theatre by a terrific
explosion, a tangled love-interest, an interesting analysis of human character, 1.184.44 liumorous touches in unexpected places and tense, powerful situations make 472.00 Cheated Love one of the big screen dramas of the year.
For the second feature Elleen Percy

will be seen in The Land of Jazz, a fu-riously funny five reel comedy.
